Course Fees, Withdrawals and Refunds

Instalment Plans

The College recognises that not all students are in a position to make immediate and full payment in respect of amounts owed to the College for Tuition Fees. The College therefore offers students the option of paying fees over £150.00 by instalments. Such instalment agreements are usually specific to the student, their circumstances and the amount/course involved. Our Instalment Plans are available as follows:

Total Course Fees Due	Number of Instalments
Between £150 - £500	25% deposit at enrolment then 3 monthly instalments
Between £501 - £750	25% deposit at enrolment then 4 monthly instalments
Between £751 - £1,000	25% deposit at enrolment then 5 monthly instalments
£1,001 or greater	25% deposit at enrolment then 6 monthly instalments

Refunds and Withdrawals

College courses can be cancelled for a number of reasons and students may withdraw part way through a course.

The table below sets out the refunds that students are eligible to receive in the event of a course being cancelled or a student withdrawing from a course. In overall terms the refund reduces, with no refund being given if the student has attended at least 50% of the course.

Example	Refund
Course cancelled or withdrawal at least 2 weeks before course starts.	Full refund.
Student withdraws before attending >10% of the course.	Full refund.
Student withdraws after attending between 10% and 30% of the course.	75% refund.
Student withdraws after attending between 30% and 50% of the course.	50% refund.
Student withdraws after attending more than 50% of the course.	No refund granted.

Where a student withdraws from a course prior to paying the fees due, the revised fees due are calculated as follows:-
