

**THE TRAINING SALON**

**@Ayrshire College**

## **Treatment & Price List**

## The Salons @ Ayrshire College

The College has a range of salons across its campuses which are open to the general public, students and staff during term time. Clients can choose from a wide range of beauty, make-up, nail and hair treatments, as well as holistic therapies.

As a learning and teaching environment please note all services and treatments are not available throughout the whole academic year and appointments may be subject to limited days and times. Regular appointments cannot be guaranteed as class timetables and requirements are subject to alterations.

All appointments require a thorough consultation, this will ensure that the treatments are suitable to your requirements and are tailored to your needs.

Appointments can vary in length depending on the service and we ask that you make yourself available for the entirety of the treatment. Hair appointments can last up to 4 hours. We ask that you give at least 24 hours notice of a cancellation where possible.

## Additional Client Information

Salon Assistants will ask for a variety of details when arranging your appointment, we would appreciate your co-operation with this to ensure you are contactable if required. This is to prevent any inconvenience if we do not have a contact telephone number or email address.

As we are a training environment, students have limited experience and are here to be mentored and gain experience in their chosen field. It is therefore important that as a client you adopt a supportive attitude towards our students. Lecturers do not provide treatments, they are in class to assist, support and supervise the training of students.

To keep up-to-date with our latest treatments and special offers check out our Facebook page [www.facebook.com/ayrshirecollege](http://www.facebook.com/ayrshirecollege)
